This file relates to the grant of medical and house rent allowance to the establishment of the Medical Improvement dispensaries on the Kadur Dt. As the whole cost of the dispensaries is being met out of the M. I. grant, the allowance, if granted, will also have to be met out of M. I. funds. Submitted for orders. Submitted. In G.O. No. 5949-52/Med. 37-14-22, dated 21st March 1918, Malnad and Semi Malnad allowances were sanctioned to the establishments of the Local Fund Dispensaries of the Kadur and Shimoga Districts at the following rates:-

	Malnad	Semi-Malnad.
Compounder	2	1
Dispensary attendent (Surgery coolie)	1	0-8-0
Waterman	1	0-8-0

3) The concession granted in the above order not having been extended to the staff of the Malnad ~~Itinerent~~ Improvement Dispensaries of the Kadur District, newly opened, the Deputy Commissioner has recommended that the above concessions be extended to the staff of these dispensaries also, 6 in number. This would involve an expenditure of Rs. 288. It is further recommended that house rent allowances also be granted to Compounders of the above dispenaries at Rs. 3 each and to the 9 midwives ~~xxxRs.~~ employed under the Malnad Improvement Scheme at Rs. 2 each. This would involve a cost of Rs. 432. Total under both Rs.720.

4) The First Member wanted that the question should be worked with reference to the whole Malnad Improvement scheme. The question of Kadur dispensaries has been ~~disposed of~~ noted above.

There then remain, the two Districts of Shimoga and Hassan.

5) As regards Shimoga, the Compounders, Surgery Coolies and watermen are enjoying the privilege granted under the order of 1918, except in regard to Agumbe Dispensary, which was recently opened. The staff

of this dispensary will also have to be shown the concession. This will involve a cost of Rs. 48 per annum.

(16) As regards the house rent allowance to ~~the~~ Compounders in Shimoga Malnad area, orders have been issued to drop the question owing to the slender resources of the District Board.

(17) For the same reason, the grant of house rent allowance to the Midwives/including those attached in the Shimoga District, to the Malnad Improvement scheme, ~~in~~ will have to be disallowed, as also house rent allowance to the Midwives and Compounders in the Kadur and Hassan Districts. If this is accepted the provision of Rs. 432 asked for may be omitted.

(18) There then remains the question of Malnad Allowance to the compounders, Surgery coolies and watermen in the Hassan District~~s~~.

There are 2 Itinerant dispensaries in the Hassan District. Though the concession ordered in the Government order of 1918 was not extended to the Hassan District yet the above staff ~~were~~ attached to these 2 dispensaries ~~have~~ has been enjoying higher rates of Malnad allowance except watermen, who are not employed for these dispensaries. There is thus no necessity for the grant of any concession in this respect in the Hassan District, in regard to dispensaries involved in the Malnad Improvement scheme.

(19) To sum up, it seems that we have now to provide only for a sum of Rs. 288 for 6 dispensaries in Kadur and Rs. 48 for Agumbe in Shimoga at present. Total cost Rs. 336 per annum.
